Thank you to all who showed up to endure the chilly and blustery first match of the season! We had a relatively good start with 26 shooters and a finish time of 2:30. Thanks to all who helped me run the match and a special thanks to John Sylvester who showed up to hang the wind flags and left prior to signing up due to an on going eye injury that is on the mend.

Many of you have noticed that the range is in the process of an ongoing reconstruction process and will only get better with each passing month, so bring a friend to the next match and please note that if you are interested in joining NHRPC, now is the time since we are rapidly approaching our membership cut off cap at which time no further membership applications will be accepted unless we fall below the cap.

Thanks again,  
The Match Director
