Thank you to all that attended and made the first match of the season at New Holland success. As you will notice, I didn't have all of the classifications written on all of the score cards, so I ended up listing them numerically. Don't worry though, they did get sent to the NRA and will be recorded according to you NRA#. Congratulations to Frank Adelson for Dominating the field with a strong start of the season with a 790-36x!! That's pretty hard shoot'n. We had a total of 26 shooter, 4 of which were juniors. See you next month!!
