Thank you very much to all who attended! We had another great turn out of 33 shooters, 2 of which who were juniors and even a few new faces. The weather was a bit questionable at first but provided excellent conditions. Special thanks to Paul, Hugo, & John who made the match run smoothly! Special note on Hugo...again, who ran the pits solo...again, and managed to post his highest score to win the match with a whopping 789-35x. Nice shooting! There will be mandatory drug testing for Hugo only next time.

Despite the excellent conditions, the scores were a bit low for the usual suspects....funny how that goes. There will be no match in August due to the national matches. See you in September for the PA State Championship!
