We had a sporty cold breeze in your face early that continued most of the day. Congrats to Allen Castle for being our new PA Highpower Rifle Champion followed by Jeremy Castle and Matt Z who bested the bunch in that sporty wind offhand. Very special treat today was 11 years young Ashley Castle with a beautiful infectious smile. She was surrounded by family on the line and kept some not so happy competitors smiling inspite of lacking performance in the cold wind a very special treat indeed. Thank
