We're halfway through the season and I think for our first year as a start up team we have to pretty happy with the turnout, performance and the gains made by most of the participants. It sure has exceeded what I thought would be a nice addition to our club and the shooting community. Thanks to everyone who had decided to participate as indeed a team is everyone who shows up and participates, which I believe is truly the reason why we have so much fun.

At the request of one of our most beloved and social teammates we would like to ask if any of you would be interested in an night of good food, a lot of fun, and no doubt a lot of discussion. We were thinking of possibly going to dinner on a Saturday night. Of course, significant others, partners, children, anyone is welcome. If interested, please let us know which Saturday nights coming up you would be free. After we see who will be coming and from what area, we'll try to find a restaurant that would be a fair distance for everyone.

Look forward to seeing you Friday night for Match 6!
