Justin Read	EX	177	1	196	3	56	0	186	2	615	6

Well, it was a lighter turn out than I originally expected since it was so close to the national matches, but we still had a decent turn out. I think the threat of severe heat and the possibility of rain kept some of the normal participants at home. Congratulations to Hugo Adelson, who shot his personal high score to win the match. Great job Hugo and great score!!

We had a few new faces and hope to see them back in September.

If you are headed to Camp Perry in a week, good luck and don't forget that we will be hosting an NRA regional match in September during the traditionally scheduled PA state match.

-The match director
